

## Sales Closer B2B Energy Sales

Simplelight Ltd.

£23,500 - £28,000 per year (dependent on experience)

Uncapped Commissions

We are currently looking to recruit a sales professional to join our existing sales teams based in Runcorn, Newcastle upon Tyne and Malaga, Spain. These roles require an individual who is driven, ambitious and who will help nurture our Vision, Culture and Values. As a dynamic and fast-moving business, we need an extremely strong sales team to strengthen our ability to grow and therefore we offer an attractive basic salary and totally uncapped earning potential.

We are looking for an experienced, hard-working, target oriented energy sales closer with at least 2 year's business to business energy sales experience. The successful candidate will work for a successful provider of professional services, setting appointments and calls for the sales representatives.

The sales team are responsible for closing leads which have been prequalified by a lead generator, and you will be expected to source your own leads from time to time.

Simplelight Ltd is a market leader energy broker which provides Business Energy solutions which include Electricity, Gas & Water.

### The role

- Make outbound calls to potential clients, using information provided by the lead generator department.
- Effectively manage pipeline of prospects.
- Self-source new opportunities from time to time.
- Ensure all client information is updated on our internal customer management system.
- To keep updated on product developments.
- Participate in any training and take personal responsibility for own development.
- Represent the company in a professional manner at all times.
- Use skills and knowledge of the company and its competitors to consistently identify opportunities to maximise sales potential.
- Achieving success via closing at least leads per week whilst achieving the financial sales target.
- Ensure that any calls and emails are handled with empathy, enthusiasm, confidence and accuracy. Demonstrate a commitment to be helpful on each interaction and follow through on promises.
- Be GDPR compliant at all times.

**We are looking for enthusiastic people that are motivated by earning UNCAPPED**

**COMMISSION!!! and possess the following:**

- Transferable skills from a similar role within an energy business.
- Have the ability to manage your own work load and pipeline.
- Self-motivated and a passion for success.
- Ability to work under pressure when needed and still achieve targets.
- Excellent communication skills - professional and articulate.
- Ambitious character, driven and passionate.
- Computer literate.
- An ability to work in fast-paced, self-directed, professional environment.
- Team Player.

**Highly Desirable:**

- Highly successful energy sales experience which can be demonstrated.
- Proven success in previous roles.
- Ability to demonstrate being able to work towards targets/deadlines.
- A positive can-do attitude.
- Self-assured and driven.

**Package Details:**

**Basic salary:** £23,500 - £28,000 per year (dependent on experience)

**Bonus:** Attractive performance based bonus to be paid monthly. **OTE: Uncapped. Simplelight's highest performers are earning £100,000+ per annum.**

**FREE ON SITE CAR PARKING & A COMPANY CAR MAY BE PROVIDED TO THE RIGHT CANDIDATE.**

**Hours:** Monday – Friday 09:00 – 17:30

Our growth creates opportunity for everyone to progress their career, to develop knowledge and skill, to gain reward and recognition and to maximise their potential. We value our people and take pride in seeing them grow within our business.

If you are looking for a career that offers fantastic rewards, brings exciting challenges and opportunities, then Simplelight Ltd. is the place for you!
